

Since 1999, S Duraisamy and Sons has been committed to providing the best products and services to our customers, who are in turn committed to helping us make a difference.

Largest manufacturer of
waterproof mattress protector
in India

S DURAISAMY AND SONS

- Started in 1999 primarily manufacturing garments for Europe and USA.
- Eventually the company diversified into home textiles and grew to be the largest manufacturer of mattress protectors.
- Currently we're having a robust production lineup to cater to all textile related home furnishings.
- Our facility spans over 40000 sq.ft with the latest sewing machines, hot melt lamination, fiber filling, quilting and cutting machines.

QUALITY

Our rigorous quality systems and procedures ensure inspections and tests are performed at every stage and are compliant with ISO 9001:2015 standard that establish our products are of the best quality and value.

HOT MELT LAMINATION

- We have an annual lamination capacity of 4.4 million metres.
- We produce several TPU laminated fabrics. We also perform fabric to foam and fabric to fabric laminations.
- The range of lamination width is 33 inches to 86 inches.

FIBER FILLING

- Fiber filling is used for making high quality pillows, bolsters and cushions.
- We have an annual production capacity of 1.3 million pillows.

Waterproof Mattress Protector

- Top layer is made of soft terry fabric.
- Breathable waterproof bottom layer is made of TPU film that protects your mattress against liquid, spills and stains.
- The knitted terry top layer absorbs liquids and allows bed sheets to be spread evenly without bumps.

Treatments :

- *Anti bacterial*
- *Viroblock treatment*
- *Aloe vera treated*
- *Frangrance*
